To Our Valued Brokers:

It is time for the annual renewal of our VA-Approved brokers. For those brokers that are currently approved to submit VA loans to Home Savings and wish to remain approved, we need the following to be sent to us no later than January 31:

- Completed [VA Renewal Form](#) (click here)
- \$100 check made payable to Veterans Administration

These items should be given to your Wholesale Account Executive or sent directly to:

Theresa Tyrrell  
Home Savings of America  
35 East Broadway  
Little Falls, MN 56345

If we have not received these items by January 31, we will deactivate your ability to submit VA loans to us. If you wish to be reactivated at a later date, you will need to complete the VA application process again.

We appreciate your business and your prompt attention to this matter. If you have any questions, please contact your Wholesale Account Executive or Theresa Tyrrell in Broker Applications at 320-631-2146 or [tyrrell@myhsoa.com](mailto:tyrrell@myhsoa.com).
