### FHA Case Number Assignments

As previously published, brokers must complete and submit the Case Number Assignment form in order to receive an FHA Case number. We encourage you to order the case number early in the process after you have taken the loan application. This can be done prior to submitting the loan to HSOA.

Effective with submissions 8/23/2011, any loan submissions without either a completed case number assignment form or a case number assigned to the loan will be put on hold.

The Case Number Assignment form is on our website  
<http://www.hsoawholesale.com> under the Forms tab.
