

From the Internet Explorer Menu Bar, Go To “Tools” and make sure the following three settings are correct:

1. Pop-Up Blocker should be turned OFF

2. For IE8 users, need to make sure loan-score.com is a website added to the compatibility view

The icon that resembles a torn piece of paper will appear in the tool bar when the system is accessed.

3. Java Script should be ENABLED; From Tools select Internet Options, Next Select Advanced Tab
