When setting up credit vendors in the ADMIN area, keep in mind the following:

**THIS COMPANY'S CREDIT BUREAU ACCOUNTS**

Select the credit vendor here and enter your Account Number and Password in the fields below and click Save Credit (if account number and password fields are not completed the user will be required to enter the credentials when they go to pull initial credit).

If your selected credit vendor uses a different Account Number and Password when running Fannie Mae DU/DO, you must add your vendor twice, once with the standard Account Number and Password, and once with the Fannie Mae DU/DO Account Number and Password. Only check the FNM box if the Account Number and Password entered are specific for Fannie Mae DU/DO.

None     **Verify**

**?** The blue question mark is a hover-over feature that will display contact info for the credit vendor selected and/or may also display hints about that vendor's specific format requirements for the credentials.

**Verify**

Kroll Factual Data  
800-929-3400  
[www.krollfactualdata.com](http://www.krollfactualdata.com)  
Acct No: UserID-OfficeCodeClientCode  
Example: ACMElending-0610ACME

If vendor provides user a set of WEBSITE logins AND a separate set for REISSUE AND/OR FNMA, then the vendor needs to be entered twice, with the FNM checkbox marked for the FNMA set- such as:

SettlementOne (290) ▼	Mary-0x0x0x0x	LittleLamb1	<input type="checkbox"/>	 <b>Verify</b>
SettlementOne (290) ▼	75-0x0x0x0x	STAFF	<input checked="" type="checkbox"/>	 <b>Verify</b>

Some vendors require "Username-ClientID" such as Mary-0x0x0x0x above as the ACCT Number, then use the Password belonging to the username.

NOTE: Credit can not be pulled/re-issued using FPO/APO Military addresses; instead use previous address.
