

FHA \$100 Down Overlay

Product Description

The \$100 Down Payment Option is available on HUD REO sales for owner occupied properties as determined by HUD. Generally, HUD's requirement is that in order to be eligible, a full price offer must be made to and accepted by HUD.

As determined by HUD and disclosed on the Purchase contract, HUD may pay up to 3% of the list price for closing costs. In addition, FHA may allow an incentive of up to \$2,500 paid by HUD. This incentive is to be reflected on the HUD-1 Settlement Statement as a lump sum Seller contribution, and is not included in the 6% maximum Seller contribution.

No cash back to the borrower is allowed.
